

## **Notice Regarding Email Impersonation Attempts**

### **Official Communication Policy**

We value your trust and want to make sure all communications from BSM can be confidently verified as legitimate and secure.

### **Recognizing Official BSM Emails**

All official correspondence from our company will be sent exclusively from email addresses ending with:

[@BSMPump.com](mailto:@BSMPump.com)

We will never send business emails through public or free providers such as Gmail, Yahoo, MSN, Hotmail, Outlook.com, or any similar service.

### **Protecting Against Fraudulent Emails**

This policy is designed to safeguard you from fraudulent messages and impersonation attempts.

If you ever receive an email claiming to be from BSM but originating from any domain other than [@BSMPump.com](mailto:@BSMPump.com), do not respond or click on any links. Instead, forward the message to [IT@RuthmanCompanies.com](mailto:IT@RuthmanCompanies.com) so we can confirm its authenticity.

### **Tips for Verifying BSM Communications**

- Always check the sender's address to ensure it ends with [@BSMPump.com](mailto:@BSMPump.com).
- Be wary of messages with urgent requests for payments, changes to accounts, or confidential information.
- If you have any doubts, contact your BSM representative directly using a verified phone number or email address. Contact information can be found at [www.BSMPump.com/staff-directory](http://www.BSMPump.com/staff-directory).

### **Fraud Notice**

We appreciate your cooperation in keeping our communications secure and ensuring the integrity of our business relationship. BSM Pump Corp. assumes no liability for losses arising from fraudulent or spoofed communications.
